### **Volunteer Electronic Resource Use Agreement**

6. Volunteer agrees, when applicable, to only use Project Electronic Resources to conduct business on behalf of The Project. If Volunteer requires access to Project Electronic Resources in order to conduct business on behalf of The Project, they shall apply with either the President or Vice-President of Administration of The Project to obtain access to relevant Project Electronic Resources.

A change to the by-laws of the Project after the signing of this Agreement shall not affect this Agreement.
